

Dear Dr. David Paul Hilton,

It is with great pleasure that we invite you to participate in the International Conference organized by the International School of Finance and Technology (ISFT). This year's summit, themed "Mapping the Future of New Uzbekistan: Economical, Educational & Business Issues," aims to foster significant discourse on the transformative growth across Uzbekistan's key sectors.

Conference Details:

- Location: Samarkand, Uzbekistan, Mirzo Bidil street, 24
- Dates: May 24-25,
- Time: 10 AM - 05 PM

ISFT Objective:

The conference seeks to dissect and understand the current economic landscape, exploring avenues for sustainable growth, diversification, and global integration. With a spotlight on education, we aim to modernize the educational framework, equipping youth with future-centric skills and fostering international academic collaborations. Additionally, we will focus on crafting a nurturing environment for innovation, startups, and SMEs to bolster Uzbekistan's global business footprint.

Key Speakers:

- Professor Mehmet Asutay
- Professor Alija Avdukic
- Professor Meruert Kazbekova
- Prof. Tong Qian Zou

This summit represents a pivotal opportunity to engage with industry leaders and academic luminaries to discuss and shape the future of Uzbekistan's economy, education system, and business landscape.

For further details and registration, please visit our website at <http://conference.isft-ilm.uz>

We want to inform that all accommodation expenses in Samarkand and tour by Samarkand will be taken care of by our side.

We look forward to welcoming you to Samarkand for this important event.

Warm regards,
Feruza Tolipova
Vice-rector for International Affairs
International School of Finance and Technology
